I never knew
how you show this love.
You gave me birth,
made me worthy!
Midst of pain,
you saw your gain.
Never can I
repay ever!
Humbleness, sacrifice, and kindness,
to raise me up - Mum.
How do you know
what I feel and want, before I ask?
You set plans,
for good future.
My sweet counselor,
My first teacher!

The little move I make,
gives you pride.
You taught me to be brave,
Will follow that till my grave!
You accept everything I do,
You expect nothing.
You mend my ways, forgive and forget,
my beauty queen, my first love!
